**JAMES BOSSE**  
*Director of Buildings & Grounds*

Dear District Facility Guest:

You have submitted an *Application and Permit for Use of School Buildings and Grounds*. The organization or group using the field or track will be financially liable for any damage that may be inflicted by any and all of its individuals, members or spectators. In addition to the Board of Education's "Use of Facilities Policy", the following prohibitions apply to the field and track:

- Only coaches, athletes and appropriate personnel may be on the field or track.
- Cleats must be rubber or molded – no metal-tipped cleats are permitted on the field.
- Athletes may wear flat running shoes or spikes with an 1/8 inch maximum cleat on the track. No other type of shoe is permitted.
- Athletes must walk on a protective mat while crossing the track.
- No spikes or poles may be driven into the field or track to support tents, nets, etc.
- No flavored drinks (soda, juice, energy drinks, etc.) may be consumed on the field.
- No food, gum or seeds (sunflower, pumpkin, peanuts, etc.) may be eaten on the field.
- No dumping of coolers on field or track at the conclusion of contests or practices.
- No glass is permitted on the field or track.
- No vehicles or strollers are permitted on the field or track.
- No bicycles, roller blading or skateboarding is permitted on the field or track.
- No golfing is permitted on the field or track.
- No matches or flammable products are permitted on the field or track.
- No pets are permitted anywhere on school grounds.
- No alcohol or tobacco products are permitted anywhere on school grounds.

It is expected that coaches and players will remove all equipment and clean up all garbage from the field, bench area and track at the conclusion of practices/games. Violations of any of the above-listed regulations by members or spectators will result in revocation of permit for the field or track.

Please acknowledge these guidelines by signing below. Your signature is required for permit approval.
